

What is a Zoom Watch Party?

Our Zoom Worship Watch Parties will allow us to watch the service together! There will be time before the service to help everyone get online, and we will have time afterward for a "virtual coffee hour," where we can see and hear our friends, chat and catch up, and share our stories.

How to Join the Zoom Watch Party

Visit <https://tinyurl.com/cuuc-online> to register. Once we have your email address, a message with instructions on how to join the services will be sent to you before Sunday. First time using Zoom? Here's more info:

- You will be able to join the Sunday service via landline phone (audio only), on your mobile phone or tablet (audio and visual), or from your home computer (audio and visual).
- If you plan to use your phone, tablet, or computer, we recommend that you go ahead and download the Zoom application to your device ahead of time. Visit www.zoom.com for the download. That way when we send you the meeting link, it will be able to open immediately.
- You do not have to have a Zoom membership to join or to take part in Zoom meetings, but it can be handy.
- The service will be created and recorded ahead of time, hopefully minimizing technical glitches. However, there will be time before and after the service for a "virtual coffee hour," where we can chat, share stories, and hopefully see each other's gorgeous faces. That information will also be in the registration email we send.

See you on Sunday!
