This plan is for reopening the doors of CUUC to small groups, religious education and the congregation for Sunday services.

The Board of Trustees has adopted the following guidelines for our reopening plan to begin immediately.

- Our intent is for our plans will be 'nimble' and fully communicated to the congregation and visitors.
- Vaccination is strongly encouraged for all members and friends of CUUC, as a matter of covenant and compassionate care for one another. We are committed as a community to ensuring vaccination is available to all, and willing to provide vaccination help to those needing assistance.
- Masking is mandatory for all adults and children (5 and older) inside the building(s) at all times. Masks used must meet the criteria for a "well-fitting" mask that covers the nose and mouth of the wearer.

- CUUC small groups events and activities are allowed indoor use of the building(s), when the church schedule has available space.
- During CUUC large group activities, such as Sunday services, household/bubble-group seating in the sanctuary is preferred to help provide social distancing between groups of people.
- The church will open in February 2022 for CUUC Sunday Services, with the approval of the Board of Trustees and the minister.
- Singing during meetings of any size will be allowed only while using masks. This includes singing by individuals, groups or the church choir.
