

PANDEMIC FACILITY USE GUIDE
Community Unitarian Universalist Church, Plano, Texas
September 2022

This policy was created by the Safe Congregations Committee and approved by the Board of Trustees of Community Unitarian Universalist Church (CUUC), Plano, TX on 9/17/2022. Our goal is to maximize the spiritual and physical health of our congregation, recognizing that some have elevated risk for illness and death. This document is intended to be a guide, and the final decision for any activity rests with the Board of Trustees. This document replaces prior COVID-19 Facility Use Guides.

POLICY

In all cases, the following standards and requirements must be met:

Space Usage and Safety Measures

- While they are encouraged, wearing of masks is optional indoors, except in the nursery.
- The choir may make their own mask guidelines using consensus.
- Masks are required in the Nursery.
- Please check the CDC guidelines for appropriate masks and usage tips.
 - Children, under age 5, are encouraged but not required to wear masks.
 - Extra masks will be available from the church.
- Indoor events should make sure the HVAC system runs before and during events, in order to encourage good air circulation.
- Social distancing is encouraged both indoors and outside.
- Attendance records for purposes of contact tracing are suspended.
- Food and beverages are allowed. No further restrictions.
