

# CHALICA DAY SEVEN

Every day during Chalica\* we focus on one principle - our seventh Principle:

***Acceptance of one another and encouragement to spiritual growth in our congregations***

Our Spirit Play children know this as the **Green** Principle. Green is for Grow together.

The suggested chalice lighting for the day is:

We light this chalice for all who are here, and all who are not;

For all who have ever walked through our doors,

for those who may yet find this spiritual home,

and for those we can't even yet imagine.

For each of us and for us all, may this flame burn warm and bright.

--Erik Walker Wikstrom

The story is:

If the World were a village. This is an animated series on youtube. the summary is the link below, but you can click through the whole playlist by letting it play through.

Chalica Day 7: As UUs we often find inspiration through many sources. This can often pull us in different directions and cause us to lose sight of one of the most important sources, our own UU community. Our 4th principle reminds of to not take for granted the most important source we have right at our fingertips. We are in a community so we can share our burdens and our joys, to learn and be encouraged to grow. We are UUs to be accepted and to accept all others.

Suggested dinner/meditation questions:

1. How did you support your friends today?
2. Why is it important to have friends?
3. Why is it important to have a church?
4. What do you bring to your community?

Happy Chalica!
