Here's how it works:

- Send your request to countrymarket@communityuuchurch.org, including whether you plan to pick up from the church yourself (if you have a church key), or if the items are to be delivered.
- You can pay by cash or check, or you can pay online via the Donate Now button on [CUUC web site - Home Page](#).
- Get yourself some delicious summer food and support our community.
- When you are finished with the prepared foods, we appreciate the return of the Mason jars.
